

# Phaser 3125/N Black & White Laser Printer

## High on quality, low on cost

The Phaser 3125/N laser printer delivers high-quality print dependability at a very competitive price. With its compact size and efficient operation, this easy-to-use laser printer supports the print needs of busy offices on a budget.

### Quality streamlined

- Up to 24 ppm (A4) laser printing.
- No waiting with speedy warm-up of less than 15 seconds and fast first-page out times.
- A 400 MHz processor has the power to tackle even complex print jobs.
- With USB and Parallel, plus a 10/100Base-TX Ethernet configuration, you can easily connect one user or many.

### User-friendly

- Compact and convenient, it's scaled perfectly for the single-user or small office.
- Print features such as watermarks, N-up, posters, and booklets and support for a wide range of media, simplify customised projects.
- Deep 250-sheet paper tray lets you do a lot of printing without interruption.
- Dependable, robust construction, with a high duty cycle.
- Installs in four mouse clicks; networked models can be installed, configured, and managed over the web.
- Status monitor provides alerts if problems occur during printing.

### Affordable

- Affordable for even the most cost-conscious.
- Auto Tray Selection and Job Cancel features ensure your job gets printed right.
